Master's Message

Walter Hartley
thehartleys@cox.net

Greetings from the 157th Annual Session of the National Grange Session in Niagara Falls, NY. My apologies for no Master's Message. We'll see you all at the State Wide Information Day at Roger Williams/Rumford at 2 PM.

From the Overseer

Eileen Hebert

I decided to let Walter off the hook and pinch hit for him as he travels to Niagara Falls, New York for the 157th Annual National Grange session. (And I needed to fill this space) This has certainly been a busy year for Walter. Besides serving his first year as State Master, he spends his spare time in leadership roles in his union at work and the Knights of Columbus. He uses the rest of his spare time to escort Miss Annette Hartley all over the country as she performs her duties as National Grange Junior Ambassador.

The Corn Dog booth had another incredible amount of sales this year. This is the major source of funding for the state grange. It pays our bills, funds the department programs that everyone enjoys participating in, and helps to cut the costs of members attending state session. Walter, Danielle and Nettie Hartley are a big part of this success and the State Grange sends them a huge "Thank You" for all their work.

This year, we finally returned to the Radisson Hotel for our state session, after meeting at granges during the Covid years. There were also concerns about conditions at the hotel during that time, but the problems have been resolved, and we had a wonderful session.

We are embarking on a new grange year, with new ideas and new programs. The focus is again on increasing membership. Many granges are struggling not only with membership, but also with attendance at meetings. I would like to encourage members who have not attended their grange meeting in many months/years to go to a meeting, and bring a friend!

By the time you are reading this, we will have another National officer from our little state of Rhode Island. Our Worthy State Master Walter Hartley was elected Assistant Steward for the National Grange at its recent annual session. Congratulations to Walter!

990-N time is just around the corner...

Reminder to all granges:

Filings of 990-N or 990's are due by January 15th.

There are consequences with the IRS if these are not filed.

You can use the 990-N if your gross receipts are less than \$50,000.

If you need help with the 990-N, call or text me.

If you need help with the regular 990, call an accountant.

I can't believe another Grange year has come and gone. While the leaves may be falling off the trees and the weather turning colder; this is my favorite time of the year as we celebrate the Juniors' accomplishment in the Junior Program over the last year.

The RI State Grange Junior Awards Banquet was held on October 1st, it was again held at The Lodge at Camp Westwood. We had a gorgeous warm October day. Thank you to all who came out and supported the Juniors. Awards were handed out for the contests held by the Junior Department during 2023 as well as all the crafts the Juniors worked very hard on. Awards were also handed out by all the other RI State Grange Department Directors who hosted contests for the Juniors. The Providence Grange Awards was given to Moosup Valley Junior Grange #27. The 2023 Master of the Year was awarded to Brooke Houle of Moosup Valley Junior Grange #27. The 2024 RI State Grange Junior Ambassador was awarded to Juliana Gerlach of Moosup Valley Junior Grange #27. Cohen Piers of Moosup Valley Junior Grange #27 was crowned to RI State Grange Mini Prince.

On Saturday of the RI State Grange Session the Junior Grange Graduation Ceremony was held for the 3 graduating Juniors: Annette Hartley, Brooke Houle, and Madison Sherman.

As of the writing of this article we are impatiently waiting for The National Grange Convention to happen so we can find out the results of the many entries that our Juniors have submitted to National Junior Program contests.

Thank you to everyone who continues to support the Juniors of Rhode Island. A Huge thank you to the Junior Leaders and the parents for encouraging the Juniors to participate in events and contests. I look forward to seeing everyone at the Junior events throughout 2024.

Don't forget to keep checking the Junior Department website for all the updated information relating to the department.

Junior Grange and the Junior Program are wonderful opportunities for children ages 5-14 to grow and become future leaders, advocates, or whatever else they dream to be. If you know any children 5-14, don't hesitate to get them involved. You can reach out to any Junior Grange Leader or myself for more information.

I'd like to wish everyone a happy, healthy, holiday season and a wonderful New Year!

My last three messages were Faith, Hope and Charity, and now this month I would like to talk about Fidelity. One definition of fidelity is that it is, faithfulness to a person, cause, or belief, which is demonstrated by continuing loyalty and support. And another, the Greek word translated "faithfulness," "fidelity," or "good faith" has the basic meaning of trustworthiness—the characteristic of someone who is reliable. Part of our calling, then, is to be trustworthy—literally, worthy of God's trust.

Fidelity is somewhat complicated. It has elements of trust, loyalty, love and even faith. In the Bible, there are some instances where the Greek word for faith and fidelity is the same. So, what does this tell us? It means faith and fidelity are related, if not the same. One should not have faith only, but it can also be measured through daily experiences. For instance, one can say they have faith in God, but this claim does not show in their daily activities and decisions, they may have faith, but the fidelity is missing. Fidelity is what makes our claim credible. Words and beliefs are difficult to understand for an outsider, but if we see the outward experience and result of that faith, we may even become interested to know more.

So now you have it, a phase that should be very familiar to you: A good Patron has Faith in God, Nurtures Hope, Dispenses Charity and is noted for Fidelity.

As we are approaching the Holiday Season, I would like to Wish You All a Merry, Joyous, and Safe Holliday Season!

I hope that everyone is doing well and back in the swing of Grange meetings now that we are well into the fall/winter season.

Unfortunately, we were also saddened by the loss of:

Leo Guertin of Kickemuit Grange #24

Earl Mann of Moosup Valley Grange #26

Helen Dunbar of Moosup Valley Grange #26

Well done good and faithful servants, you will all be missed.

I am happy to announce that we have taken in new members as of last quarter, and they are:

John Szymanski – Perryville #14

Charlotte Hartley (reinstated) – Moosup Valley #26

Kathleen Golden-Bernier – Portsmouth #29

It was great to see so many people at State Session this year.

I mentioned in my report that I am hoping to have an increase in membership awards in the coming year. I am encouraging every Grange to review their records and honor their members with longevity awards. If you are unsure how to go about this process, I am happy to set up time to work with the Granges. National Grange has created awards to members who have belonged for 1, 5, 10, 15, and 20 years to go along with the remaining 25, 40, 50, 55, 60, 65, 70, 75 and special recognition awards that are currently available.

I look forward to working with everyone again this year, and I wish you all a happy holiday season.

The Youth Department finished its year at the State Grange Banquet, co-sponsored by the Lecturer and the Youth Department. We presented 2 awards:

Youth Night Report – John A. Lawson III, RW-Rumford Grange

Digital Scavenger Hunt – Celeste Spencer, Exeter Grange

For the coming year, there have been several changes. We will be working with the Junior Department to develop “Grange Baseball”, which is a contest sponsored by the National Grange. No, it doesn’t require and base running, but just a knowledge of Grange facts and trivia. For each correct answer, you are awarded up to four bases.

Another new contest is the Digital Scavenger Hunt. This will run for 16 weeks, and is open to all members, including juniors, although their parents may have to drive them to find some of the objects. It is highly recommended that you have a digital camera or smart phone. There will be a new item each week, announced via emails to all who have signed up. There was only one entrant last year, but the contest was announced mid-year so it may not have gotten the necessary promotion.

Another new contest is the “Create Your Own Contest,” details to follow.

We will again try to hold the Youth Activity Day, on April 21, 2024 at the Washington County Fairgrounds. Activities will include a Walk-a-thon, Bean Bag Baseball tournament, and chocolate chip cookie contest. Hopefully, Mother Nature will not conspire against us, and the weather will be nice!

Our first activity of the year will be bowling at Old Mountain Lanes in Wakefield on Friday night, March 29, 2024. I apologize that this is Good Friday, but no other Friday was open in March or April. We had a good turnout last year, and hope to have even more this coming year.

Please support youth nights in the state. Each year we have fewer granges having a youth night program. Remember, even if you don’t have youth in your grange, you can invite an outside youth group such as 4H or FFA to provide a program.

I will start with this issue by recognizing all the winners from this past year for the Information Department.

The Juniors had a Creative Bookmark Contest, bookmarks made out of card stock. The Junior Grange Leaders were supplied with card stock for their Junior Grangers to participate. There were three entries, one from each age group. The awards to the Juniors for the Bookmark Contest were all 1st Place winners. The awards were presented prior to State Grange Session on Junior Grange Awards Day on Sunday October 1st at Camp Westwood in Coventry.

Kristen Flynn-Perryville Grange #14

Barbara Rush-Moosup Valley Grange #26

Shirley Lawson-Roger Williams-Rumford Grange #52
Jennifer Lawson-Roger Williams-Rumford Grange #52

These awards were presented during the State Grange Banquet during the State Grange Session. I would like to thank all Grange members for all entries for the Information Department. I appreciate it very much.

At the time of working on this issue, there was a work in progress with photos. I was given a laptop computer to go along with the State Grange camera to develop photos. Hopefully before the next issue, it will be all worked out.

If anyone has any questions or comments with the programs in the Information Department, you contact any of the committee members Paul & Barbara Rush, Peggy Fish, Cathy Kamowski or myself Howard Paster.

A note from the editor...

On Sunday, December 3, RISG Department directors will distribute their program books for the coming year. The Master or designated member of each grange will receive the books on that day. If you are a department chairman in your grange, you should ask for your book from your Master. If no one was present from your grange, your deputy will have picked up your books or you can view or download/print these books at www.rigrange.org/books.html

If you do not receive your book, you can contact me at ehebert94@aol.com and I will try to locate it for you.

Dear Brothers and Sisters,

Nettie Hartley's account of enjoyment she experienced from her visits to granges as a National Ambassador inspired me to write.

I had similar feelings as a participant in a Grange program many years ago: an interstate exchange which paired youth from farms with youth from cities or suburbs. As a member of Roger Williams Grange #19 it was an honor to represent Rhode Island during the month of July 1958.

My exchange family was the McFaddens in Grampian, Pennsylvania. I am still friends with my exchange "sister" Janet as well as another girl Bonnie. During the month of July I experienced life on a large dairy farm with a loving Quaker family.

In August Janet came to Rhode Island where she enjoyed the ocean and life in a suburban town. We visited other granges in R. I. and attended a Lecturer's conference in New Hampshire

In retrospect I see that exchange as one of the best things I ever did. I thank the Grange for that.

HUGS for ALL

by Shirley Lawson

If you haven't found out by now, I am a "hugger". Of course, my husband, for the 52 years of our marriage and about 5 years prior to that, got the brunt of my hugs, but I never heard him complain about them! The Covid pandemic was a very, very difficult time for me as we had to wear masks, couldn't get close to one another, and of course, hugging was

definitely out of the question. I missed all those hugs from my church family and my Grange family as well. At my church, I am very often called upon to be the greeter for worship as they all know they get extra hugs on those Sunday mornings. I believe the first State Grange activity that was held after the pandemic was officially over, was the State Grange Church Service in June of 2021. Boy, did I give and get so many hugs that day! I know there are some people who don't like hugs and like to have "their space," but I want to let you know why hugging is so important.

***Hugs make you feel better!** Hugging makes you feel better because it stimulates the release of oxytocin and serotonin. Oxytocin has antidepressant effects. Serotonin also has antidepressant effects and helps regulate your mood.

***Hugs are important for your physical and emotional health!** Hugging can help to lower blood pressure, reducing the risk of heart disease, heart attack, or stroke. Hugging boosts self-esteem. Touch is a powerful language that we can use to convey feelings of safety, love, and connection to a greater community. (When I heard that last part about connection to a greater community, the first thing I thought about was the Grange! Wouldn't it be wonderful if we as Grangers all hugged more often instead of bickering or complaining!!)

***What happens if you get no hugs?** When you don't get enough hugs, you can become stressed, anxious, or depressed. As a response to stress, your body makes a hormone called cortisol. This can cause your heart rate, blood pressure, muscle tension, and breathing rate to go up, with bad effects for your immune and digestive systems.

So, let's try to give more hugs, making ourselves feel better, as well as those who are the recipients!!

I would like to thank you for allowing me, once again, to be the Agriculture Director of the RI State Grange. It really means a lot to me to be a part of this wonderful organization. I enjoy the company of each and every member and thank you for your friendship.

This year at WAS, I had my compost, milk borrie bird feeder and bird house contests. I had many amazing entries and the judges had a hard time picking the winners.

This year I also got Arruda Dairy to donate milk and creamers for WAD and Cross Country Bakers to donate about 300 cookies, muffins and brownies. The leftovers were use for the Junior Grange the following week. I sent a Thank you ro both of them and they said they were happy to help out.

This year at the Washington County Fair we had 9 scarecrows. They were all very creative and the judges had their work cut out for them. Congratulations to all the winners!

Once the fair was over, I had my coloring and photo contest. Some of these entries were on display at the State Session.

I will have some new and exciting contests this year and hope everyone will enjoy them. If you have any you would like to do, feel free to contact me at jeh31@yahoo.com or my cell, 401-465-9571. Thank You!

This year we made 110 diddy bags for the New England Seafarers Mission and presented them with a check for \$155.00. Thank you for all the Granges who participated in this project. Great job!

The Patriotic Centerpieces that were mad were delivered to the Rhode Island Veterans Home in Bristol, Rhode Island along with 20 blankets for the veterans.

Meeting Street School received a check for \$120.00 along with boxes of supplies collected this year for the school.

After session, I delivered boxes of items along with a check for \$235.00 to Ronald McDonald House in Providence.

Thank you to all of you for a great year. Looking forward to a new year with new changes in our department which I hope you will participate in. See you at the Statewide meeting.

First, I would like to congratulate all the winners from State Session. Thank you for participating in the department. We are planning to keep a few of the same programs, and maybe plan some new ones.

Second, please attend as many of the Deaf and Health Subordinate or Pomona programs as, you can the chairpersons really work hard on them.

Lastly, I am going to stress this year the end of year report, and monthly deaf or health hints. I find that many of the Granges enjoy listening to the health hints.

If you have any questions please feel free to call me or email me.

Nettie Hartley, 2022-2023 National Grange Junior Ambassador, has spent her year as Ambassador crossing over six states off her list.

She says she was honored to be able to attend five different State Grange Sessions. She enjoyed three regional conferences, three youth or Junior camps, FarmAid, and traveling to DC for Ag Day with National Grange Outstanding Young Patrons Autumn Whitaker and Gail Switzer.

She claims that her favorite camp that she attended this summer was the first one she was asked to attend just after she was "sashed."

Phil Vonada, PA State Grange Junior Director, invited her in-person as she left the stage and told her that a written invitation would be coming soon. While nervous about being at a week-long camp, Hartley shared that everyone was so welcoming, inviting and she loved it. She plans on attending again in the future as a non-ambassador.

One of the larger events that Nettie attended this year as National Grange Junior Ambassador was FarmAid in Indiana. At FarmAid, Nettie worked with other Grangers to operate a Fruit Stand where concert goers could purchase fresh produce and enjoy it at the event. Hartley was in the state of Indiana for less than 48 hours and most of those hours were working.

The coordinator from FarmAid kept was shocked that Nettie and the three youth from Illinois sold out a specialty fruit, the Paw Paw, that until that morning none of the girls had ever seen, heard of or tasted. They got a knife - as you can not eat the skin of a Paw Paw - and tried it to better be able to explain to customers what it was and what it tasted like. They had Paw Paws leaving the booth in bags as people asked them more about why they were there. Nettie was out front handing out free radishes and having her picture taken with concertgoers who were excited to hear about why she was there and what the organization she was wearing the sash for.

Nettie would like to thank everyone for the support that they have given her throughout the year. Nettie said that one couple who consistently let her know that she was doing a great job of representing the National Grange

Junior Department while she was out traveling was Wayne and Debbie Campbell.

Nettie is especially thankful for her parents, her Dad, Walter who as her travel companion took up to five weeks off work this summer to get Nettie where she needed to go, and her Mom, Danielle, who is her rock, who makes sure that Nettie and her Dad don't fight on long road trips and makes sure that everything at home is okay while they were traveling.
